Our Organization...

Our core purpose is to promote general aviation safety and proficiency through excellence in our aircraft, equipment facilities, management and safety programs.

Safety & Proficiency...

Smith Field Flyers is dedicated to promoting the safety of our members and of the flying community as a whole. We continuously sponsor safety seminars on all facets of aviation.

Our Fleet...

We have expanded our fleet to meet the growing demand for high quality aircraft at SMD. The latest addition is a Cessna 172 with 4 place seating.

Facility Improvements...

The newly renovated terminal has all the amenities including a telephone, computer with weather and flight planning software and refreshments.

Here is a checklist of key information you should know about our club:

- All of our aircraft are hangared year-round.
- Pilot center with telephone, computer, rest rooms and refreshments.
- Tanis heaters are on 24 hours/day in the winter - aircraft are always ready to fly.
- Our aircraft are meticulously maintained by professionals.
- Safety seminars and social events are held several times each year.
- Membership investment, hourly rates and monthly dues are very competitive.
